Problems it Solves

You've made it! This is it! You've made it to the very last exercise in FOCUS.

When have you finished scaling? This one is easy. You are finished scaling when:

You achieve your Victory!

Along this journey you've done a number of different things.

You've designed experiments and set up failure protocols.

You've set up spreadsheets to track your progress.

You have charts and graphs to tell you when you're on the right track.

But at the end of the day, the only thing that matters is that you achieve your Victory.

You defined your Victory in the very first step of this journey, and you had the opportunity to revise it within
